The Pennsylvania MidAtlantic AIDS Education and Training Center recognizes the complicated issues of providing quality HIV/AIDS care and focuses on the

entire health care team including physicians, nurses, dentists, advanced practice nurses, physician assistants, and pharmacists.

The AETC custom designs programs, taking into account the providers' rural or urban settings, experience, and volume of HIV patients.

The Pennsylvania/MidAtlantic AIDS Education and Training Center provides HIV/AIDS-related training and technical assistance to health care providers in the Delaware, District of Columbia, Maryland, Ohio, Pennsylvania, Virginia, and West Virginia. The purpose of the project is to increase the providers' capacities to provide high quality HIV/AIDS care.
